

HOLE 4, PAR 5

A long par 5 and although it offers a generous fairway a dog leg right, out of bounds left and right a fairway bunker and water both within reach of the tee can all cause trouble for wayward drives. A good second shot up the left hand side of the fairway avoids another fairway bunker and allows a clear run into the flag and also takes the greenside bunker out of play. Don't be long with your approach to the green as there is more trouble behind.
